List of volunteers you can call if you are not going to be at church on your scheduled Sunday

Marilyn Travis

I will call or email each team member the week you are to serve and remind you it is your Sunday.

Sherry Goodwin is going to come in on Saturdays and get the table set up and the coffee made. Mary Ellen Dahm will plug the coffee pots in when she gets there on Sunday morning. (Mary Ellen gets there early because she is in the choir.) Sherry will call me if she is not going to be able to get everything ready for Sunday morning and I will go in and get everything set up. On their Sunday, the team members still need to get there at least by 8:00 to get the food ready. Also remember the coffee pot that is used for Hot Water is ONLY to be used for Hot Water. Also, when the coffee is finished perking you need to take the insides out so it won't perk again.

Please take home any food you have left over because the 2nd service brings their own food. Please leave everything else set up and the 2nd service will clean up. If you use the kitchen down stairs please leave it clean and the counter tops wiped clean or the ANTS will come.

Also, if you are not going to be at church on your Team's Sunday, please make arrangements to trade with someone on one of the other teams or call me and let me know.

To those of you who are new team members you will just need to bring one item like a plate of cookies, a cake, a pie, a batch of brownies, cheese and crackers, fruit, doughnuts or whatever you want to bring. We are trying to make this as simple as possible.

Thanks to all of you!!
